Department for **Education**

The role of parents ... is the single biggest influence on development. Good quality home learning contributes more to children's intellectual and social development than parental occupation, education or income. (DfE)

HOME LEARNING

The act of completing learning at home independently either retrieving something that has already been studied or learning advanced topics.

The focus of home learning will take three phases:

1. Retrieval – getting pupils to think about the topics they have learned previously
2. Flipped learning – research a topic they have not yet studied
3. Revision – recap topics learned for formative assessments

Time	Subject
Up to October half term	Core subjects only (Maths, English, science)
October to Christmas	Core Subjects (Maths, English, Science) EBACC Subjects (Geography, History, French, Computer Science)
Jan to July	All Subjects

KNOWLEDGE BANK

KNOWLEDGE BANK

Spring Term 2024 Year 7

Name: _____ **Form:** _____

Science Knowledge Bank - Spring Term (Biology)

Animal cell

Plant cell

Parts of a Flower

SCIENCE - HOME LEARNING - SPRING 1: CELLS

Cells
WHAT? This time you will be learning about cells and how to use a microscope
WHY? Cells are an important part of biology. You need to be able to describe basic animal and plant cells as well as specialised cells. You need to be able to name all their parts and state what each part does. You will also need to be able to confidently use a microscope.
WHEN? The project will be completed over 6 weeks and is broken into 3 pieces of work. Your teacher will tell you what day each piece is due in.

SCROLL DOWN FOR WORK; please ensure you fill in both the retrieval & flipped learning sections

PART 1, COMPLETED IN WEEKS 1-2:
Retrieval:
 Complete retrieval in table below.
 Write detailed instructions on how to use a microscope to look at a specimen at two different magnifications. Include a labelled diagram.

B1: Cells	Due Date 15/01/2024
Retrieval: 3 things you remember from the last two week's lessons.	• • •
Have you noticed any connections to other Science lessons or other subject areas?	
How can I apply what I have learnt to my life?	
A question to ask my teacher.	
Flipped Learning: Minimum 10 minutes independent research on a future area of study. Topic for study: Microscopes Write detailed instructions on how to use a microscope to look at a specimen at two different magnifications. Include a labelled diagram.	Notes:
